BY AUTHORITY.
LAWS OF THE UNITED STATES
Passed during the First Session of the T
First Congress.
[PUBLIC ACT NO. 26.]
AN ACT to establish a branch of the
the United States in California
Be it enacted by the Senate and House of
Representatives of the United States of Amer
Congress Assembled, That all Branch of the
of the United States be established in Cal
to be located by the Secretary of the

[illegible]

the contract, and the said superintendent engage and employ as many of the said subordinate workmen and persons as may be provided for by law; and until the first of June, one thousand eight hundred and fifty, the salaries of said officers and clerks shall be as follows: to the superintendent, nine thousand dollars each; to the assessor, six thousand dollars each; to the treasurer, the sum of four thousand five hundred dollars each; to the surveyor, to the aid refiner, and to the engineer, the sum of three thousand dollars each; to the clerks, the

Sec. 34 and 35 is further enacted, That the officers and clerks to be appointed under and by the authority of the said act shall take an oath of affirmation before a judge of the United States, or the mayor, clerk of the court of the State of California, faithfully and diligently to perform the duties thereof, and to be true and faithful to the United States.

Each became upon in the United States of America, with numerous surreys, to the satisfaction of the director of the mint and the Secretary of the Treasury, or the district attorney of the United States for the State of California, with conditions for the faithful and diligent performance of their offices.

the most of Philosophy, subject to the approbation of the Secretary of the said Bureau; for that purpose, it shall be the duty of the director to prescribe such regulations, and require such returns periodically and occasion as shall appear to him to be necessary for the purpose of carrying into effect the intentions of act in establishing the said branch; for the purpose of determining the duty which shall be stamped at said branch and at the

that; and also, for the purpose of, preserving the uniformity of weight, form, and fineness, the coin stamped at said branch, and for the purpose, to require the transmission and delivery to him of the mintage, from time to time, of the patterns of the coinage of said branch as he thinks proper, to be subjected to such assays, tests as he shall direct.

and for the government of the officers and persons employed therein, and for the punishment of all offences committed by the members of the United States, shall be, and they hereby declared to be in full force and effect from the date of the date of the act hereby established, so far as the same may be applicable thereto.

Sec. 6. And to that further enacted, That the government of the said trust shall be in the hands of the said trustees, and the said buildings erected therefor until the State

California shall, by bond, law or other process, pledge the faith of the State that it shall, at any time, be sold, leased, or conveyed by the said State, or under the authority of said State, on the said branch line, or on buildings which may be erected thereon, the fixtures and machinery which may be thereon, or on the lands on which the same be placed, that nothing in this section contained shall be understood as implying an intent that any such sale or leasing shall be

Sec. 7. And to a further provision, That said branch mint shall be the place of deposit for the public moneys collected in the customs houses in the State of California, and for other public moneys on the Secretary of the Treasury may direct; and the treasurer of said branch mint shall have the custody of the same, and shall perform the duties of an assessor and treasurer, and for that purpose shall be

to all the provisions contained in and not in
"An act to provide for the better organization
of the Treasury and for the collection,
keeping, transfer, and disbursement of the
revenue," approved August, the sixth
thousand eight hundred and forty-six, which
relates to the treasurer of the branch mint
New Orleans.

required by the owner, and in grain and
shall be defined, assayed, cast into bars or
goats, and stamped in a solid branch with
the mint of the United States; or any of
branches in such manner as may indicate
value and fineness of the bar or ingot. W
shall be paid for by the owner or holder of
bullion at such rates and charges, and un
such regulations as the director of the m
under the control of the Secretary of the Tr
ary, may from time to time prescribe.

[§ 20. *And be it further enacted,* That soon as the said branch mint is established in the State of California, and public mints may be given thereof in the mode to be designated by the Secretary of the Treasury, then (so as not to exceed the sum of \$100,000) of the said making appropriations, for the said diplomatic expenses of the Government for the year ending the thirtieth June, eight hundred and fifty-one, and for other purposes, provided for the appointment of an United States assayer, and the contracts for the

saying and fixing the value of gold in grain lumps, and for forming the same into bars, and the whole of the clause containing provisions shall be hereby repealed;

Sec. 10. And be it further enacted, That the Secretary of the Treasury shall provide for erect the buildings provided for in the second section of this act, or commence operations under any of the provisions of the same, at San Francisco, State of California; it shall be

duty to make a contract, or contracts, for
 the erection of said buildings, and provision
 of machinery necessary for the operations of
 said plant, at a sum or sums which shall not be
 more than the whole amount of three hundred
 thousand dollars, which said contract or contracts
 shall be secured by gold and sufficient surety
 to the satisfaction of the said Secretary of
 the Treasury and the President of the United
 States.

(Signed) **WILLIAM R. KING**
 Speaker of the House of Representatives
 President of the Senate pro tempore
